At Bromsberrow

Short term Shop Volunteers needed – Lockdown 3

We've got a great band of volunteers, but about half of them are having to stay away from working in the Shop during Lockdown 3.

The other volunteers are covering the running of the Shop, but it would be really helpful if we could have a few more people who would be up for helping out in the Shop for two or three months.

You can work anything from one hour to many hours - and you can work every week, or just every now and again - whatever you feel comfortable doing. We have had volunteers from age 14 upwards!

We will provide full training and support and a Covid-secure environment. It's great fun and a good way to meet people as well.

If you can give a bit of support to the Shop which provides essential services to our rural community, then please drop into The Shop or ring Marie, Shop Manager, on 01531 650744.
